\* Untold agony from "Cataract."

Prof. W. HAUENER, the famous mesmerist, of Elizabethtown, N. Y. writes: "Some ten years ago I suffered from a cataract from the eye, and was told by my family physician that I must die. My case was such a bad one, that every day, towards sunset, my vision would be lost, so that I could hardly speak above a whisper. A mere touch to the hawking and clearing of the throat would almost strangle me. By the use of Dr. Sage's Cataract Remedy, in three months, I was a well man, and the cure has been permanent."

\* Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 292 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from cataract for three years. At times I could hardly breathe, and was constantly hawking and spitting. For the last eight months I could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Cataract Remedy, and I am now well again. I believe it to be the only safe remedy for cataract now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Cataract, giving valuable hints and a checklist of all other writers of importance, will be mailed, postpaid to any address, on receipt of a two-cent postage stamp.
